Key: D: Day of carrying out the transaction / ATM: Automatic terminal

Note (1) Are not considered bank deposits the deliveries of sums, at the branch, ATMs without instant checking facility, or day or night safety deposit boxes, where the person delivering the sums waives against the instant inspection by the depository, or also the collection of sums from Customers and other deliveries in which the depository does not make a prompt checking. In these cases, the deliveries or collection of sums shall be considered deposits after checking and certification by the CI, which must check and certify the deliveries or collection of sums as soon as possible, within a period not greater than twenty-four hours, except in exceptional circumstances.

Note (2) In the case of a charge for a cheque on a foreign bank, the date from which the deposit shall be effective shall be the date of receipt of the funds by Banco Finantia.

Note (3) For transactions commenced until 15:00 of the same day. If the transaction is commenced later, the value date shall be one working day later. If Banco Finantia is the originator's bank, the credit value date and the availability date must be considered the most probable dates, since the Bank cannot commit to the credit and availability dates to be attributed by the beneficiary bank.

Note (4) Urgent transfers are subject to authorisation
